ADDING SMART PLUG TO YOUR HOME

- Open the Hogar SE App and go to **"Rooms"**.

- Click on **"+"** Button and select **"Smart Plug"**. Follow the prompts on your App for subsequent operations.

- To **POWER ON**, **press and hold** the button on the Smart Plug for **5 seconds**.

- You will soon see the **BLUE** **LED** blinking rapidly that indicates that Smart Plug has entered into **"Enrolling Mode"**.

- Input the password of your designated Wi-Fi network on the App to include the Smart Plug to the Cloud.

- Your Smart Plug will be added successfully to your Hogar SE App in less than 30 seconds.
